PROFESSIONAL SUMMARY

Results-driven Software Developer working in designing and developing enterprise-grade applications using Java, Spring Boot, Angular, and SQL. Skilled in building scalable microservices, implementing secure authentication (OAuth2, LDAP), and working with Oracle/MySQL databases. Strong analytical and debugging skills with proven ability to deliver maintainable, production-ready systems.

PROFESSIONAL EXPERIENCE

Interland Technologies Pvt. Ltd.

Software Engineer

Jul 2024 – Present

Bhubaneswar, Odisha

- Developing and maintaining Escrow Management Systems for Arab National Bank and Riyad Bank using Java, Spring Boot, Angular, and Oracle.
- Designed and implemented RESTful APIs, reusable backend modules, and optimized microservices for better performance and scalability.
- Worked on integrating Angular front-end with backend services to improve user experience and system reliability.
- Implemented secure authentication mechanisms including OAuth2 and LDAP across services.

PROJECTS

Escrow Management System – Banking Domain

- Built backend services using Java and Spring Boot for escrow account management, collections, and reporting.
- Designed REST APIs and integrated OAuth2-based authentication.
- Used Oracle database for transactional data handling and reporting.
- Collaborated with cross-functional teams (QA, DevOps, UI) and supported deployments, debugging, and production monitoring.

TECHNICAL SKILLS

- **Backend Development:** Java, Spring Boot, RESTful APIs, Microservices architecture.
- **Frontend Development:** Angular, TypeScript, JavaScript, HTML5, CSS3.
- **Database Management:** Oracle, MySQL, SQL; strong in queries, joins, and performance optimization.
- **Security & Authentication:** OAuth2, LDAP-based authentication and authorization.
- **DevOps & Tools:** Docker (containerization), Git, Maven, Postman.
- **Software Engineering Practices:** OOP, clean code, debugging, Agile methodology.

EDUCATION

Master of Computer Applications (MCA) | SGPA - 8.64

Ajay Binay Institute of Technology (ABIT), Cuttack

Sep 2022 – Apr 2024
